

# UNDERSTANDING DEEPPFAKES

images

## WHAT ARE DEEPPFAKES?

text along with images and videos.

Videos

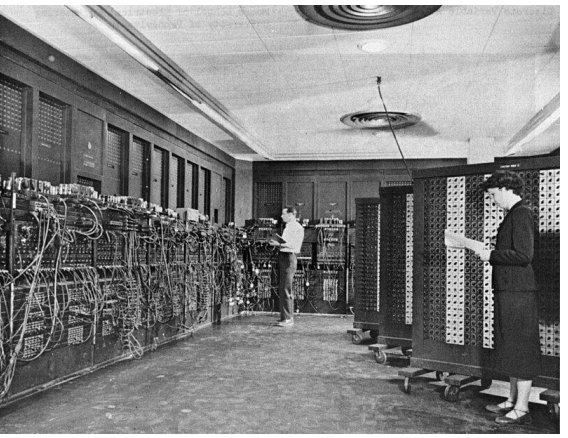

## EVOLUTION OF DEEPPFAKES

brief text about evolution.

timeline will show the evolution from 1990–2022  
clicking on the circle will show info and image/video

### 1990s: Early Research in AI and Image Processing

The groundwork for deepfake technology began in the 1990s when researchers explored the use of artificial intelligence for image processing. This period saw initial investigations into neural networks and their capabilities in manipulating images.
